

# LET YOUR GLORY FALL DOWN

*Words & music by David Boller*

A                    E/A D/A                    A  
Let Your glory fall down, Holy Spirit come now  
A                    E/A D/A                    A  
Burning passion of God, Consume our praise again  
F#m                    C#m                    D                    A  
Come and heal broken hearts, release those in chains  
F#m                    C#m                    D                    Esus E  
Open our eyes to see Your face, Your holy face Oh God

A                    E  
**Let Your glory fall in this place**  
G                    D  
**Let the fire of heaven pour down**  
A                    E  
**Let Your presence fall like rain**  
G                    D  
**Till we see You face to face**  
A  
**Here in this place**

A                    E/A D/A                    A  
Let Your healing pour down, Let Your freedom come now  
A                    E/A D/A                    A  
Holy fire of God, consume our souls again  
F#m                    C#m                    D                    A  
Come and heal broken hearts, release those in chains  
F#m                    C#m                    D                    Esus E  
Open our eyes to see Your face, Your holy face Oh God
